Welcome to Convergence!
Convergence

0 We teach “multiple media”

0 Learn how to report, edit and produce with the story and the audience in mind

0 Skills can translate into any (non)traditional newsroom

0 “Freelance” for KOMU, KBIA, and the Missourian
Convergence

0 Will only be taking one Convergence class in your first semester, J4804 (Convergence Reporting)

0 If you can, plan to take a lighter course load. We suggest no more than 12 hours if you can swing it.
